

MOSAIC

COLLECTION 2026

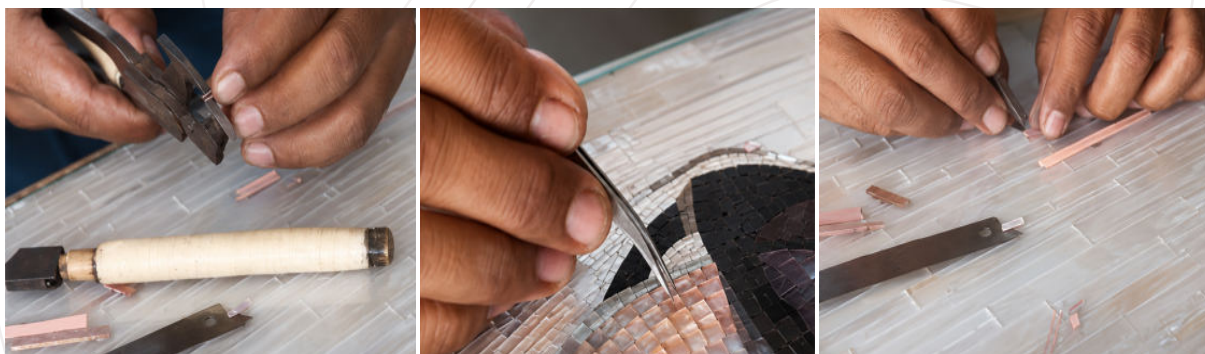

Mosaic art transcends decoration it is a heritage art form, with each piece individually shaped and meticulously placed by hand. Hand painted glass, cut into thousands of delicate tesserae as fine as 2 mm, forms a surface of depth, clarity and quiet brilliance.

Over months, master artisans place each piece with intention, balancing color, texture and light. As light moves, the artwork reveals a subtle life of its own. The result is a rare, one-of-a-kind creation where time, craftsmanship and contemporary luxury converge to tell your story.

Each piece is
carefully chosen
in form, size and color
to create a flawless work of art
made *especially for you*

AT THE THRESHOLD

W 90CM X H 138CM X D 4CM

A quiet expression of the delicate boundary between nature and the human world. Crafted in hand-cut glass mosaic, the deer emerges through layers of light, reflection and abstract form, creating a sense of calm presence and quiet curiosity. The refined palette of white, silver grey and charcoal black allows the artwork to transform with changing natural light, celebrating elegance, serenity and the timeless connection between the wild and the familiar.

Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

NYCTARA

W 140CM X H 140CM X D 4CM

Nyctara is a contemporary glass mosaic artwork that captures the poetic contrast between night and day within a single urban narrative. The composition transitions seamlessly from the quiet mystery of the nocturnal city into the luminous energy of daylight streets, symbolizing the rhythm of modern life and the passage of time. Crafted with finely cut reflective glass tesserae, the artwork blends monochromatic shadows with radiant blue and golden tones, creating depth, movement and atmosphere. The soft transition between both worlds evokes balance, duality and continuity where darkness and light coexist in perfect harmony.

Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

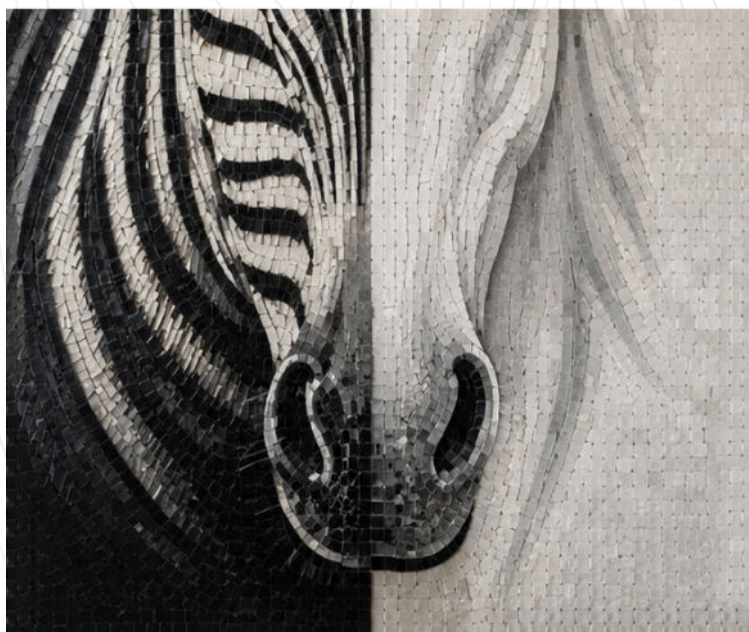

TALI

W 138CM X H 138CM X D 4CM
(EACH PANEL SIZE W 46CM X H 138CM X D 4CM)

A contemporary mosaic composition inspired by the idea of connection and continuity. Flowing metallic lines move seamlessly across the three panels, symbolizing strength, balance and the invisible ties that unite different paths into one harmonious rhythm.

The gradual transition from white to deep black enhances the sense of movement, while the silver and gold reflections bring depth, elegance and a luxurious modern character.

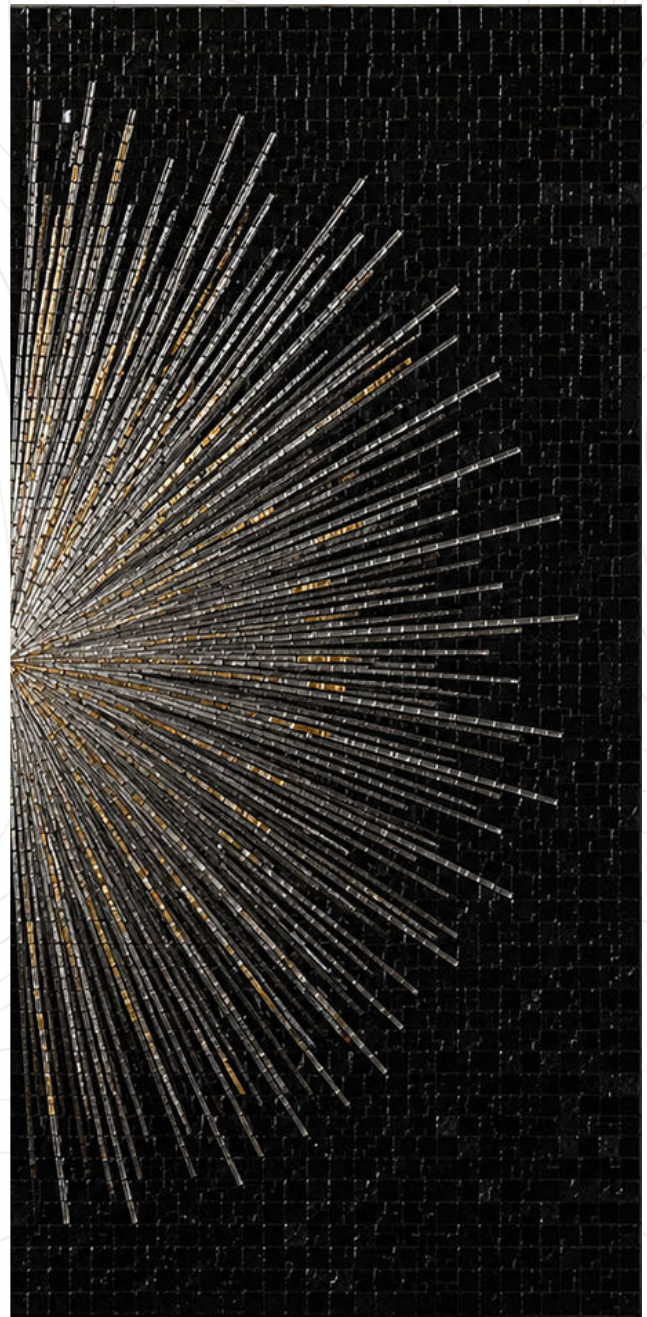

Product images are digital visualizations intended to illustrate the design concept and proportions only.
Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

ZEBRAHORSE

W 100CM X H 165CM X D 4CM
(EACH PANEL SIZE W 100CM X H 81CM X D 4CM)

A simple yet unique custom zebra mosaic set, divided into two panels for a distinctive modern look. Frameless with a monochrome color scheme, displayed with a 2-3 cm gap between the panels for an elegant floating Effect.

Product images are digital visualizations intended to illustrate the design concept and proportions only.
Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

ECLIPSE HARMONY

W 150CM X H 150CM X D 4CM
(EACH PANEL SIZE W 13CM X H 150CM X D 4CM)

A striking contemporary mosaic composition inspired by the balance of light and shadow. Divided into two contrasting monochrome panels, the design creates a radiant burst effect that meets at the center, symbolizing unity, energy and harmony. With its clean lines, frameless presentation and subtle metallic accents, this mosaic offers a perfect balance of simplicity and luxury making it an elegant statement piece for modern and sophisticated interiors.

SILENT HERITAGE

W 100CM X H 140CM X D 4CM

Silent Heritage is a celebration of timeless elegance, where tradition is transformed into contemporary luxury through the artistry of handcrafted glass mosaic. The faceless figure invites quiet reflection, allowing every viewer to discover their own story within its graceful silhouette, while intricate adornments evoke the richness of ancestral craftsmanship and enduring cultural beauty.

Composed from thousands of individually placed glass tesserae, each surface captures and reflects natural light with a refined brilliance, creating a living artwork that subtly changes throughout the day. Bold yet serene, Silent Heritage is a statement of sophistication—an exclusive masterpiece designed to elevate distinguished interiors with depth, texture and timeless presence.

INTERWOVEN IN CHARCOAL

W 100CM X H 140CM X D 4CM

Interwoven in Charcoal is a masterful expression of movement, contrast and quiet sophistication. Delicate ribbons of polished black and luminous silver mosaic weave effortlessly across a richly textured charcoal backdrop, creating a captivating visual rhythm that evokes connection, balance and timeless elegance. Every meticulously placed tesserae reflects light with subtle brilliance, transforming the surface into a refined composition of depth and dimension.

Designed for discerning interiors, this exceptional artwork embodies understated luxury through its harmonious interplay of monochromatic tones and sculptural form. Whether showcased as a striking statement piece in a contemporary residence, an exclusive hospitality space, or a distinguished commercial setting, Interwoven in Charcoal enriches its surroundings with an enduring sense of artistry, serenity and impeccable craftsmanship.

Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

MELIA

W 120CM X H 160CM X D 4CM

MELIA draws inspiration from the delicate frangipani flower, a timeless symbol of grace, serenity and renewal. Depicting a Balinese woman in a quiet moment of reflection, the artwork blends a soft watercolor aesthetic with the refined craftsmanship of handcrafted glass mosaic, creating a composition that feels both elegant and tranquil. Carefully assembled using elongated vertical tesserae for the background and finely cut square pieces for the figure, MELIA preserves the gentle brushwork and harmonious palette of the original painting. Framed with a slim white border, this exquisite mosaic brings a sense of understated luxury and timeless beauty to sophisticated residential, hospitality and wellness interiors.

Product images are digital visualizations intended to illustrate the design concept and proportions only. Actual mosaic cuts, glass shapes and arrangements may vary to achieve the best artistic result.

GOLDEN EQUILIBRIUM - III

W 140CM X H 140CM X D 4CM

Golden Equilibrium III expresses the quiet harmony between strength and serenity through a refined interplay of layered forms, expressive gestures and warm golden accents. Soft blue and earthy grey tones create a balanced composition, while delicate details invite the eye to discover new perspectives with every viewing. Handcrafted from premium glass mosaic, each individually placed tesserae captures and reflects natural light, enriching the artwork with subtle depth, texture and movement. Designed as a timeless statement piece, Golden Equilibrium III brings contemporary elegance and understated luxury to sophisticated interiors.
